# TO HAVE CHARGE

Appointment of George M. Roberts Is Formally

Announced.

Deputy Auditor Daniel J. Donovan Named as Secretary to the Board of Commissioners.

The District Commissioners yesterday formally announced the appointment of George M. Roberts, of Texas, field in-spector in the Census Bureau, as superspector in the Census Bureau, as super-visor of playgrounds. A formal order likewise was issued for the appointment of Daniel J. Donovan, deputy auditor, as secretary to the board of Commission-

Mr. Donovan will succeed Dr. William Tindall, who at his own request is given lighter duties and made assistant secretary. W. F. Meyers, assistant secretary, has been shifted to the position of executive clerk, vice L. S. Johnson, Scotia on an extended vaccing who has been made private secretary to

who has been made private secretary to Commissioner Brownlow.

An order was issued placing the bathing beach under the playgrounds department and appointing Sidney C. Cousins as assistant to Mr. Roberts and in charge of the swimming pools.

Cousins in Charge of Pool. The orders were issued at a board meeting attended by Commissioner New-man and Acting Engineer Commissioner

of Washington," and is the best informed man in the city on the history of the National Capital.

Mr. Cousins is a student in the medical school of George Washington University. He has been employed at the bathing beach for six years as clerk and assistant superintendent.

Mr. Meyers has been assistant secre-

tary to the board of Commissioners since Business men of Washington and 1890. Mr. Johnson had served as execu-Baltimore yesterday selected the route tive clerk since 1904.

### HEAD OF SENATE CHOSEN

Followers of 'Dr. Bobo Object to Election to Presidency of D'Artiguenave.

Admiral Caperton, in charge of the American forces in Haiti, has been di-rected to inform the Haitians that until the "black republic" establishes a stable ontinue supervision over the revenues of

Navy Department, where the impression prevails that order soon will be restored on the island. Official advices were lack-ing. however, as to the result of the E. C. Brandenburg, president of the election held yesterday. Secretary Dan-Washington Board of Trade, is in Nova iels intimated that American marines had been instructed to see that there were no election disorders.

Admiral Caperton reported that the marines were called upon Wednesday to put down slight disturbances in the capital, Port au Prince.

Efforts of the so-called "revolutionary committee" to prevent the election and create further trouble in the island had practically been checked, it was re-

meeting attended by Commissioner Newman and Acting Engineer Commissioner Prince that d'Artiguenave was elected soon at the State Department. It would create no surprise here if the election satisfaction of Transfer Service Forces Company to Discontinue

Justice Gould yesterday released on his Justice Gould yesterday released on his own recognizance Joseph H. Chase, of Sheridan, Wyo., who was arrested Wednesday at the instance of Wyoming authorities on an embezziement charge, and who demanded a writ of habeas corpus. A hearing will be given him August 21. He says he is innocent.

## POLICE JOB TO SEEK MAN.

Nonapplicant May Be Made A sistant Superintendent.

Commissioner Louis Brownlow, will return to his desk at the District Building this morning after a vacation, will confer during the day with Maj. Raymond W. Pullman, superintendent of police, relative to the appointment of a successor to the late Inspector Robert H. Boardman, assistant superintendent of police and chief of detectives.

There are numerous candidates for the office, but it is likely the District officials will select some one who is not seeking the position. Many local business men are urging the appointment of A. Wade Wells, superintendent of the Bradford Detective Agency. It is said that the

Department of Justice is supporting sev-eral candidates. A newspaper man, a lawyer and countless others are in the Thirteen plants, with a total capacity of 90,000,000 cubic feet of ozonized air, have been installed in a Lodon under-

ground railroad to ventilate it.
